

Math Club

On the planet

Modtuelf

$$9 + 4 = 1 \text{ and } 6 \cdot 4 = 0.$$

Come join us for an hour of exploring Modtuelf and other fun and exciting places, and find out why these ideas are useful. (For example this is the reason why you can feel safe giving your credit card information out over the internet on certain sites.)

Come to the Math Club

4-5pm

Wednesday, Nov. 19
