

Homework 4, due September 15

In today's presentation, Ardis Parshall discussed several several ciphers including the Freemason's (or Pigpen) Cipher (see https://en.wikipedia.org/wiki/Pigpen_cipher). She also discussed the Deseret alphabet (https://en.wikipedia.org/wiki/Deseret_alphabet)

- (1) With your team members, pick two quotes, scriptures, or paragraphs from the textbook and translate one into the Deseret alphabet and encipher the other using the Freemason cipher.
- (2) Have one of your team members post your quotes as an attachment to the "Assignment 4" dialog on Learning suite.
